First Aid Recertification	30

THIS MONTH'S CHARITY

Last year, **Safety City** delivered 627 presentations to 18,335 students. They also partner with other organizations to provide other injury prevention initiatives like weekly car seat inspection/installation clinics.

We are pleased to support Safety City with a donation of **6 picnic tables** so they no longer have to borrow them!

Email news@safetyconnections to receive information on upcoming promotions and specials.
